Nudism - or naturism - is not unusual in Germany, especially in the East. Because of this, you will find many nude beaches where you can enjoy swimming and sunbathing au natural. In Germany, being nude is seen as a requirement for good health, whether in a sauna or textilfei (without textiles) beach. The FKK movement (Freikörperkultur or free body culture) appeared in tandem with the popularity of natural medicine in the 19th century and is said to cure common diseases from rheumatism to bronchitis. Nude places are usually marked by FKK or textilfei, but people can bare it all everywhere from lakes in the forest to the shores of the North Sea. Here are the 10 best nude beaches in Germany. 01 of the 10 -jkb-Wikimedia Commons/CC BY-SA 3.0 Sylt Island is known as Koenygin der Nordsee (North Sea queen). Located on the northernmost tip of Germany, it is famous for its healthy climate, breathtaking dune landscape and pristine beaches. The first official nude beach in Germany, Buhne 16, was established in Sylt in 1920. Almost a century later, it still attracts nature lovers and nudists. There are miles of beautiful sandy beaches leading into rolling dunes and clear water. Far from being crowded, sometimes there are more seals on the beach than humans. If it's too cold on the beach, you can still undress in saunas right by the water. How to get to Sylt: The nearest international airport and the big city of Hamburg. There are several direct trains from Hamburg, as well as a car ferry between the Danish port of Havnobi and Liszt, a city on the northern tip of Sylt. In addition, cars and buses can be loaded onto the train to cross to Hindenburgdam. 02 of 10 Getty Images / Ronald Wittek Address Sibrek Sellin, Sellin, Germany Insel Rügen is Germany's largest and most popular island. Located in the north of the Baltic Sea, it has attracted visitors for centuries from Otto von Bismarck to Albert Einstein. The island has dramatic kreidelfelsen (white chalk cliffs) and long and sandy beaches. Many of the island's beaches are designated as textilfei. Seaside resorts also dot the coastline such as Sassnitz, Sellin with its Seebörcke (pier), and Binz. Even if the area is not a designated nudist zone, few will bat the eye if you take it all. How to get to Rügen: The island is easily accessible via Berlin or any other major German city. From the capital, it is less than four hours by train, five hours by bus, or three hours when you travel on your own via the A11 and A20. 03 of 10 GettyImages / zwaowl Address Warnemünde, 18119 Rostock, Germany This beach is located near Rostock on the Baltic Sea. The popular beach offers sparkling sands, clean water and an embankment desired on all the best beaches in Germany. Founded as a fishing village in the 1200s, it is now one of the busiest cruise ports in the world. The famous Lighthouse Warnemünde has been located since 1898 and offers view of the water in the summer. Teh Teh (Kettle) is another easily identifiable structure on the beach with its sharply curved roof. This is a perfect example of East German architecture and the perfect place to have a snack heading to the beach. The nudist district is located by signs for Haus Undine. About 150 meters wide, it is the widest beaches in the Baltic and a lively place for the FKK crowd. The weak current makes the area ideal for sailing, and thousands of spectators - dressed or not - show up every year at Warnemünde Week in July. How to get to Warnemünde: The nearest international airport and the major city of Berlin. Many people arrive through the port. Public buses run from the Ferry Terminal (Seehafen Fahre) to Rostock. Trains from Berlin (and the rest of Germany) connect via Rostock. Trains from Berlin take almost three hours and driving takes two and a half hours. 04 of 10 Gettyimages / PPAMPicture Address 25946 Wittdon, Germany This small north-Frisian island near silt is rarely inhabited by humans, but it is rich in birds, gray seal and sea pig. Amrum Lighthouse is a landmark of the island. Its real highlight - miles of beach. The dunes roll parallel to the water with thick clusters of vegetation, poking through the sand. Wadden Sea National Parks are a UNESCO World Heritage Site, which expands from Germany to Denmark and the Netherlands. Kripsand Beach is one of the largest sandbanks in Europe. There is about 10 square kilometers2 of soft sand from the nudist area. There is also a campsite for nudists who want to sleep right on the beach. How to get to Amrum: The island is located north of Hamburg on the A7 and then west of Flensburg. Trains can take visitors from any major city to Dabebl. It can also be reached by ferry from Dadebl. Built in the 1930s, it is shaded by large trees above crystal clear waters. The swimming season runs from late May to August. There are complete amenities including changing rooms, a playground, a restaurant and sports fields such as table tennis and a basketball court. It's the perfect place to go au natural with the whole family. How to get to Hamburg Sommerbad Volksdorf. It is easy to get from Hamburg by public transport by U-Bahn Buchenkamp and bus 375. Get out to Murredder. 06 of 10 Heinz Wohner / Getty Images Address 26757 Borkum, Germany The small island of Borkum is located in the North Sea in Lower Saxony. It was formed in 1863 as a result of the merger of two previously separate islands. Although the gap has disappeared, the border is still being registered as the island is divided to the east and west. There are three white beaches, one of which is completely nude. Naturalists' beach is located near the city near Ostersen Reserve. This long sandy beach rolling dunes, beach volleyball courts, dog dog playgrounds and saunas. Getting to Borkum: Ferries run from Emden, Germany, as well as Eemshaven, Netherlands. Cars are allowed in the off-season, but during the summer most of the city is without cars. Borkumer Kleinbahn is a local train that offers access directly from the ferry to the beach (ferry tickets also act as a train pass). 07 out of 10 Martin Hay west of Rügen Island is one of Germany's smallest islands at just 10.5 miles away. Most of The Hiddensee are designated conservation areas and cars are banned. The artist's hideout, bicycles and horse-drawn carriages are the main mode of transport. The West Coast is an endless stretch of long sandy beach bordering the dunes. Although there is no designated nude area, nudity is acceptable everywhere except in the immediate vicinity of the villages. How to get to Hiddensee: To get here from Berlin requires a train to the coastal city of Stralsund and then by ferry from there. 08 of 10 Thomas Grundner/Getty Images The Lake District of Mecklenburg in East Germany is famous for its crystal clear lakes bordering green forests. There are various designated nude sections in most places for swimming on the lake, but most people feel free to swim naked everywhere. If you want to be surrounded by like-minded people, there are nude campsites such as the family nudist campsite at Useriner See in the heart of Muriitz National Park. Here visitors can travel on foot, by boat and swim nude. Getting to the Lake District of Mecklenburg: This lake-filled area is just two hours north of Berlin. It is best to take a car to get to your destination. You can swim in a birthday suit in Munich's largest lake, Feldmochinger See, known for its perfectly clean water. Feringasi, located in the north of Munich, also offers a large and secluded area reserved for nudists. You can even sunbathe buns on the banks of the Isar River, which runs through the center of Munich. If you don't care about the beach part and just want to lay out, Munich's English Garden is a major tourist attraction, and its Schonfeld Weise (beautiful meadow) has been a nudist hot spot since the 1960s. The Bach Schwabinger Canal is another bathing spot. Getting to the nude beaches of Munich: Both lakes are accessible by public transport Munich (MVG): Feldmochinger See through U-Bahn, bus, and tram and feringasee via the A8 with a stop at Unterfuering. The English garden is located in the centre of the city. 10 out of 10 GettyImages / Heinz Wohner Despite its northern location, Usedom is known as Sonneninsel (Sunny Island) for its 1,906 sundial. The island is divided between Germany and Poland and has resorts dotted with its miles of beach. It has the longest beach promenade in Europe within seven miles (12 kilometers) Bansin in zinovowd. Many of the buildings were built in the Victorian era, so 19th-century romantic mansions, gardens and piers add elegance. The Siberian is the oldest surviving pier in Germany and an impressive 920 feet (280 meters) long. Albek Beach is the main nudist beach of Uedom. Once popular among the higher ups of DDR in the 1950s, it is still open to the public. How to get to Usedom: Usedom is well connected to the rest of Germany via Usedomer Bederban. Bridges connect the island via Ztrin (B 110) and To Volgast (B111). It is about four hours by train from Berlin. Berlin.
